Program Policies

All children must meet the following guidelines for enrollment or use of any program at CDPHP® Fitness Connect℠ at the Ciccotti Center:

- All children who enroll in any of our programs/camps (excluding our Kids in Motion program, which is a member-only benefit) must meet the age/grade requirements as well as the following guidelines:

    1. Children must be able to function in a 1:10 staff to child ratio.

    2. Children must be fully toilet trained and able to use the facilities independently.

    3. Children must be able to undress and re dress themselves in the event the program/camp has time in the pool.

- CDPHP® Fitness Connect℠ at the Ciccotti Center will make reasonable accommodations to serve children with disabilities or behavioral concerns and will evaluate each situation individually.

- Please contact the department manager, depending on the program, if you have any questions or concerns regarding these eligibility requirements.

- Children cannot be dropped off prior to the start time of camp unless the camp states that there is early drop off, we do not have staff to take care of them before the official start time of camp. We also do not have late pick up unless specified in the guide for that particular camp.

Behavior Management / Code of Conduct

Please review the following rules with your child before the program begins. While in the program, children are expected to display age appropriate behavior and follow established rules including, but not limited to:

- Respect other children, staff and property

- Follow staff direction

- Stay with a staff member and within program areas at all times

- Adhere to rules regarding building and playground safety

- Refrain from using foul language or other forms of verbal abuse

- No fighting or other physical altercations

Aquatic Programs

AMERICAN RED CROSS® SWIM LESSONS

This progressive program teaches participants how to swim in a logical progression, and safety in and around the water. Classes are subject to minimum and maximum enrollment.

CLASS DESCRIPTIONS

The following descriptions are offered for informational purposes only. Children without an American Red Cross completed requirement card dated within the last six months need to be assessed by one of our aquatics instructors prior to registering. For a free evaluation, please see page 14 for dates and times. No appointment necessary. Please contact the Aquatics Department if these dates and times do not work for you.

IMPORTANT INFORMATION:

1. Please arrive early, allowing time to park, change into swimsuits and get to your lesson on time.

2. Any child three years of age or older may use the locker room with a parent of the same gender, one of our two family changing rooms or our gender neutral locker room.

3. **Parents must remain on pool deck during the duration of their child's swim lesson for children under 12 years.** Seating is provided on deck. (Please remember that a child under the age of 12 must always be in the presence of a parent while anywhere in CDPHP® Fitness Connect℠ at the Ciccotti Center).

4. **Make-up lessons are not guaranteed** unless medical documentation is provided or extenuating circumstances have occurred.

    - Exceptions might be made, but are limited based on class availability and enrollment numbers.
    - If you need to schedule a make-up, please contact the Aquatics Manager
    - If you attend a make-up lesson without having contacted Aquatics Management before, you may be asked to leave the class based on enrollment numbers and for the safety of other children and the instructor.

Toddler and Youth Aquatics

PARENT CHILD AQUATICS

PARENT AND TOT (AGES 6 MONTHS–2 YEARS)

Using songs, games and water toys, your child will learn basic water readiness during a unique, aquatic parent-tot bonding experience. Children learn to follow the adults' lead and look for permission when in the aquatic area. Parents are required to participate in the water with their child.

SUPER TOT (AGES: 2–3 YEARS)

These advanced parent-child swim lessons concentrate on beginning basic stroke movements. Parents learn how to teach their children to swim. We introduce blowing bubbles and basic kicking and paddling. This is a great class to prepare children for the next step in to our Preschool Aquatics program. Parents are required to participate in the water with their child.

PRESCHOOL AQUATICS

Our small group lessons provide your child with the instruction and inspiration needed to be comfortable and confident in the water. They learn to blow bubbles, submerge their face in the water, float while supported, and basic water safety.

PRESCHOOL LEVEL 1 (AGES: 3–5 YEARS)

Participants are introduced to the aquatic environment and to mastering the most fundamental skills. All skills are performed with instructor and/or flotation assistance.

PRESCHOOL LEVEL 2 (AGES: 3–5 YEARS)

Participants begin to move through the water on their own and with assistance. Prerequisite: must be comfortable in the water on their front, back and with their face in the water.

PRESCHOOL LEVEL 3 (AGES: 3–5 YEARS)

Participants continue to work on movement through the water with the goal of moving a short distance on their front and back without assistance or flotation devices.

TO REGISTER

ALL program participants must complete the included registration form or on our website!

YOUTH AQUATICS–LEARN TO SWIM

Our Learn-To-Swim program creates the perfect environment for school-age children to develop their swimming skills. In order to register for pre-school level 1–4, parents must present their American Red Cross card proving successful completion of the previous level. Any child who has not had a lesson at CDPHP® Fitness Connect℠ at the Ciccotti Center within the last six months must be evaluated for placement.

Our American Red Cross Learn-To-Swim program is comprised of six levels and covers the following skills:

- Water entry and exit
- Breathing control
- Underwater swimming
- Buoyancy
- Treading water
- Swimming on front, back and side
- All four competitive strokes
- Changing direction/turns
- Water fitness
- Water safety

LEVEL 1: INTRODUCTION TO WATER SKILLS

Objective: To help students feel comfortable in the water and learn how to safely enjoy the water. Lessons include basic water safety rules, using a life jacket, submerging mouth, nose and eyes, swimming on front and back using arm and leg actions, exhaling underwater, and floating on front and back. All skills are performed and taught with the assistance of their instructor.

LEVEL 2: FUNDAMENTAL AQUATIC SKILLS

Objective: To give students success with fundamental skills. Prerequisites include ability to fully submerge face for a minimum of three seconds, float on back and front with assistance, and demonstrate safe water/pool entries and exits. Skills introduced include submerging entire head, front and back glides, bobbing in water, treading water using arm and leg motions, jellyfish float, swimming using combined strokes on front and back, and recognizing swimmers in distress and getting help.

LEVEL 3: STROKE DEVELOPMENT

Objective: To build on the fundamental skills (see Level two) through guided practice. Prerequisites include demonstrated ability to perform unsupported five-second float or glide on front and back, and independent swimming on front and back for a minimum of five yards. Skills introduced include reaching assists, swimming without assistance, front and back crawl stroke, and rotary breathing in horizontal position, butterfly kick and body motion, survival floats, and retrieving underwater objects.

LEVEL 4/5: STROKE IMPROVEMENT

Objective: To develop confidence in the strokes learned and improve other aquatic skills. Prerequisites include demonstrated ability to perform the crawl stroke with rhythmic breathing for a minimum of 15 yards, back crawl for a minimum of 15 yards. Skills introduced include breaststroke, elementary backstroke, butterfly, and sidestroke, open turn on front and back, and feet-first surface dive.

Certification Preparation Classes

CPR and AED FOR PROFESSIONAL RESCUER

As an EMT, firefighter, athletic trainer, childcare provider or lifeguard it is your duty to respond to cardiac or breathing emergencies until more advanced medical personnel can take over. From assessing needs and making decisions, to providing care, this program provides the skills you need through discussion, video and hands-on training based on real-life rescue scenarios. The course covers adults, children and infants and includes free online refreshers. Classroom and blended learning options available. Two-year certification. Digital certificate available upon successful completion of course. Topics include:

- Primary assessment
- Ventilations, including use of CPR breathing barriers
- Choking (conscious and unconscious)
- CPR (one- and two-rescuer)
- Using an AED
- Optional training in use of epinephrine auto-injectors and asthma inhalers available

Dates/Times: Contact Aquatics Manager for course offerings (Course length approximately four–five hours)
Fee: $90 Members, $140 Non-Members

LIFEGUARDING

Participants will gain the knowledge and skills needed to prevent and respond to aquatic emergencies both in a pool and at a waterfront environment. This course prepares participants to recognize and respond quickly and effectively to prevent drowning and injuries. Participants in this course will also learn CPR/AED for the Professional Rescuer.

PREREQUISITES:

- Must be 15 years old by the end of the course.
- The participant will need to complete the following prior to taking the course:
  - Swim 550 yards continuously using either front crawl with rhythmic breathing (face needs to be in the water unless breathing) OR breaststroke with the proper timing and technique.
  - Starting in the water, swim 20 yards using front crawl or breaststroke, surface dive seven to 10 feet, retrieve a 10 lb. object, return to surface and swim 20 yards back to starting point holding object with both hands. All must be done within one-minute and 40 seconds.
  - Swim 5 yards out from the side of the pool, submerge and retrieve three dive rings (placed five yards apart in four to seven feet of water), resurface and swim five yards back to the side of the pool.

Dates/Times: Contact Aquatics Manager for course offerings
Fee: $300 Members, $400 Non-Members

CANCELLATION POLICY: *Cancellation of enrollment due to failure of swim test or for medical reasons accompanied by a doctor's note after the start of class will not be fully refunded due to the cost of the material. No refunds will be issued for any other reason.*

LIFEGUARD TRAINING REVIEW

This full-day re-certification course is for people who have or had a current Lifeguarding certificate within 30 days of this course, and wish to renew. It includes a review of all lifeguard training components including in and out of water exercises as well as CPR/AED for the Lifeguard and First Aid.

Dates/Times: Contact Aquatics Manager for course offerings
Fee/Day: $150 Members, $200 Non-Members

REFUND/CANCELLATION POLICY If we (CDPHP® Fitness Connect℠ at the Ciccotti Center) cancels any program (including but not limited to fitness, aquatics or recreation), then a full refund will be given. If an individual decides to drop out of a course that he/she has already paid for, a program withdrawal form for refund must be filled out and made seven days or more prior to the first class of the session. You will be assessed a $50.00 cancellation fee. No refunds will be given within seven days of the session beginning or once the program starts. If the request is due to a medical reason and a doctor's note is provided, there will be a refund without the cancellation fee. If a session is cancelled due to weather or other problems, an effort will be made to schedule a make-up session. If a make-up session cannot be scheduled, no partial refund will be made. Session fees cannot be prorated; therefore, if you join a session after the start or you end early, you are responsible for the full payment.
